Re: MUR 6326 — Supplemental Information
American Association of Physician Specialists, Inc. PAC (AAPSPAC)
(FEC Committee ID # C00331017)

Dear Mr. Jones:

As mentioned in my original complaint, I was employed as the Director of Governmental Affairs by the American Association of Physician Specialists, Inc. (AAPS), a 501(c)(6) non-profit organization, from October 2008 – February 2010, the connected organization associated with the AAPSPAC. One of my job responsibilities at AAPS was to manage its federal PAC and file, along with the assistance of our PAC vendor, Trail Blazer Campaign Services Inc. (Golden Valley, Minnesota), the required FEC reports.

I neglected to mention in my original complaint that during 2009 I was tardy in inputting the AAPS PAC donor information into our PAC software; while I understand that Trail Blazer filed our FEC reports in a timely manner, we had to amend several of the 2009 reports in January 2010 due to my not entering the required donor information in a timely manner. I accept full responsibility for that mistake.

However, the facts in my original complaint still remain — on January 28, 2010, myself and Mark Panger (Trail Blazer employee) were told by Anthony Durante, AAPS Director of Finance and Operations, that that sometime in 2007 or early 2008 (Duranate was not sure of the date) a former AAPS governmental affairs employee had written several AAPS PAC checks for several thousand dollars in campaign donations without there being enough funds in the AAPS PAC bank account to cover the checks.

Mr. Durante informed Mr. Panger and me that he (Duranate), upon authorization by Mr. William J. Carbone, AAPS Chief Executive Officer, was to transfer funds (if my memory

serves me correctly, in the amount of \$20,000) from the AAPS general fund bank account to the AAPS FAC bank account, so as to not have the checks "bounce" for insufficient funds.

If you were to subpoena AAPS' bank records these facts would be borne out.

Again, I began my employment with AAPS in October 2008 — this possible illegal transfer of money occurred well before I began my employment with AAPS.

Should you have any questions about this issue please do not hesitate to contact me at the above Tampa address.

OATH

I, the person bringing this complaint, do depose on oath or affirmation and say that the facts set forth in the foregoing complaint and attachments thereto are true and correct to the best of my knowledge and belief.
